Object:	Queen Marija and Princess Olga with their children on the Palace balcony
Description:	View of the balcony of the Stari Dvor palace in Kralj Milan Street from below. The balcony has three windows. In the centre, Queen Marija Karađorđević wears a coat and headgear that covers her hair completely. She is holding her right hand to her chest. Two women are standing to her left, each holding an lavishly dressed toddler in their arms. On the far left, in front of the left window, Princess Olga Karađorđević is turned towards the two boys next to her. The older child is Crown Prince Petar, who is standing in the centre of this section of the balcony trying to lean over the balustrade and raising his left hand as if waving. The younger boy standing between him and Olga has raised his right hand, too. Another woman is leaning against the window column in the back. The third window is closed.
Comment:	The children next to Queen Marija are the princes Andrej and Tomislav. The boy next to Princess Olga is her son Prince Aleksandar. The picture was probably taken during the Vrbica children's parade through Kralj Milan Street.
