Description:	Full length studio group portrait: An elderly woman in a dark town dress is sitting between two younger women in light-coloured urban dresses. The latter are also sitting on chairs. One of them is leaning on a small light-coloured table on which a couple of flowers have been placed. A woman in a town dress is standing behind the table, and a young man wearing a light-coloured uniform is standing behind the two women sitting on the left. A painted canvas backdrop is creating the illusion of the scene being set in a lounge.
