Object:	Lecturers and students in chemistry at the Sofia University
Description:	Full length studio group portrait of 14 people (13 men, 1 woman) in urban clothes, sitting and standing around a small table with two books on it. A painted canvas backdrop is creating the illusion of the scene being set in a lounge.
Comment:	Lecturers and students of chemistry at the Sofia University around 1904. The woman is Evgenia Yurkevich-Boeva, one of the first 16 female students at the University of Sofia, when the University opened its doors for women in 1901, and the first Bulgarian female student of chemistry.
